

CASE MANAGEMENT SERVICES

In partnership with **Philadelphia Yearly Meeting**, Living Care Home Services (LCHS) offers **Comprehensive Case Management** to help individuals and families connect to the care and resources they need.

What Can Case Management Do?

Our experienced Case Managers provide personalized support, including:

- Long-term care planning and connections
- Health care referrals and coordination
- Mental health resources
- Debt management and debt consolidation counseling
- Housing support
- Home Improvement Coordination
- Assistance with applying for social services
- Securing in-home care and caregiver services

*Philadelphia Yearly Meeting can refer members and regular attenders for **up to 10 hours of Case Management services**.
